AEC MATADOR

TAKING THE ROUGH WITH THE SMOOTH

Steve Richards

Informatie uit boek AEC Matador,
De Dorchester was gebouwd op dit chassis.
Deze die ik wil bouwen staat in het boek,

1 for 'Matador' AEC
oured Command
on
ying
el

in Bodies Ltd
- L4426516 and
- L4427109

to note the code 'L' as
allocated vehicle num-
to trucks over 1 ton. A
M11373 dated 31st
cluded 210 ACVs and
ted numbers F89104 -
icated Armoured Cars
re appropriate for these

se vehicles were
P. This referred to the
equipment installed - high
had extended dummy
been suggested that these
ed vehicles.

Above: Staff study a map outside their
Dorchester ACV (L4426428) in the Western
Desert, December 1941. IWM

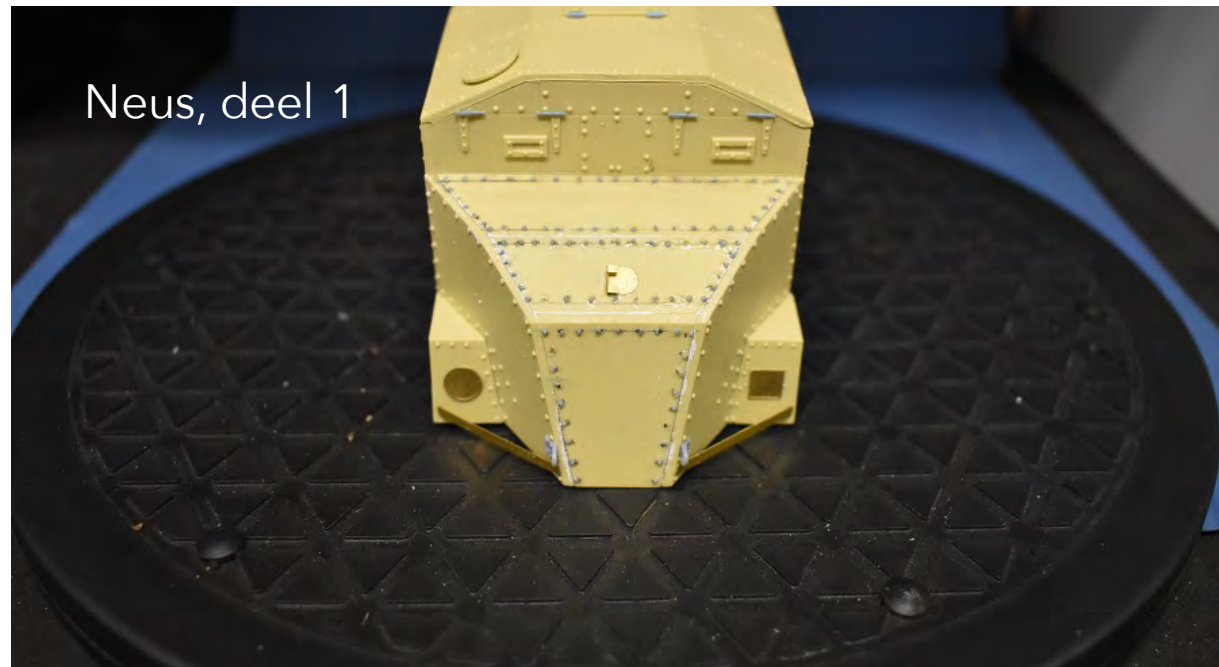

Top: L4427089 is another of the f
contracted as an armoured person
operational setting with the name

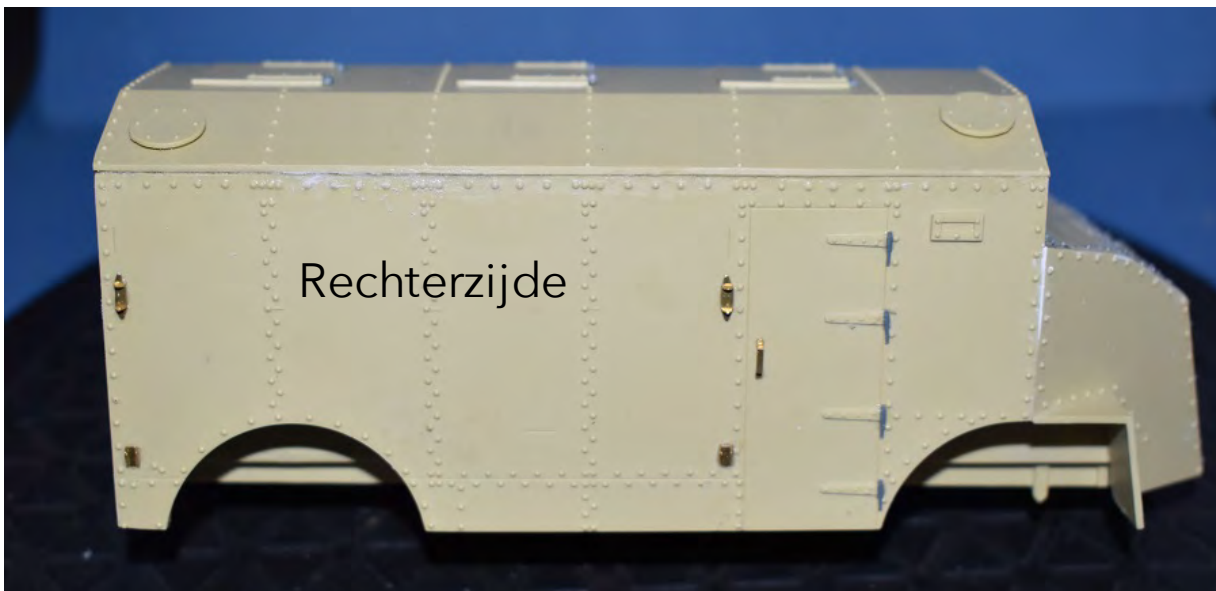

Achterzijde

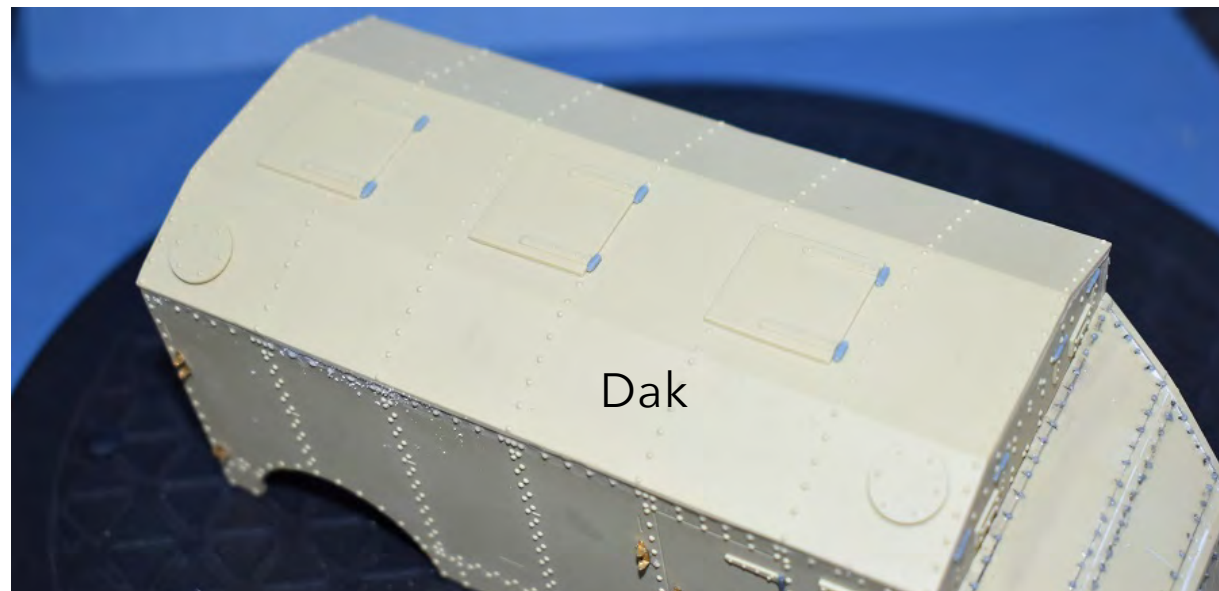

Neus, deel 1

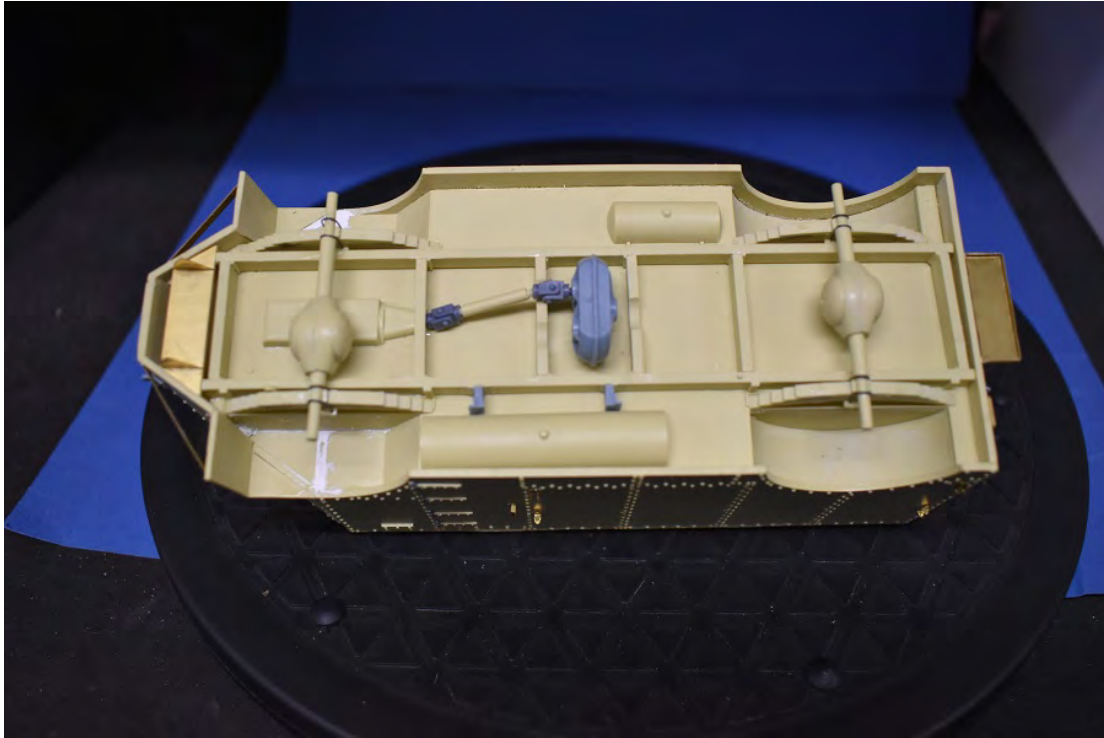

Rechterzijde

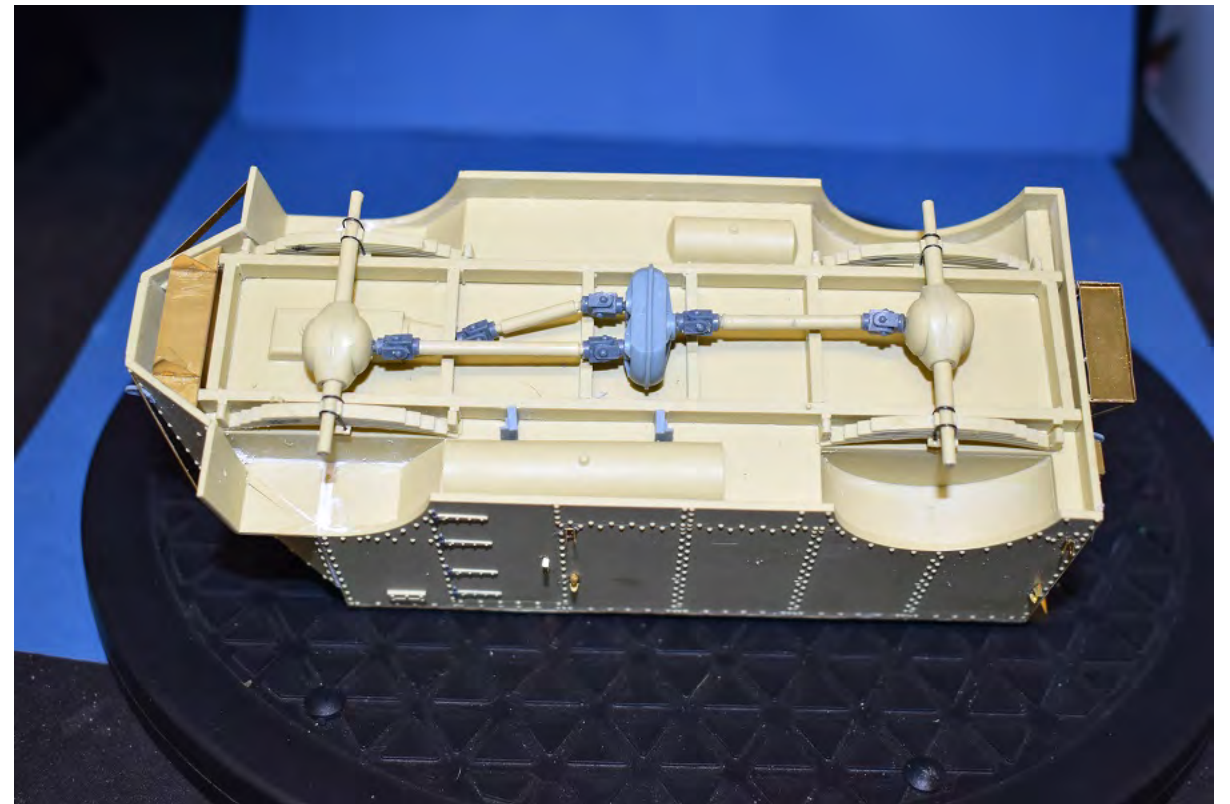

Dak

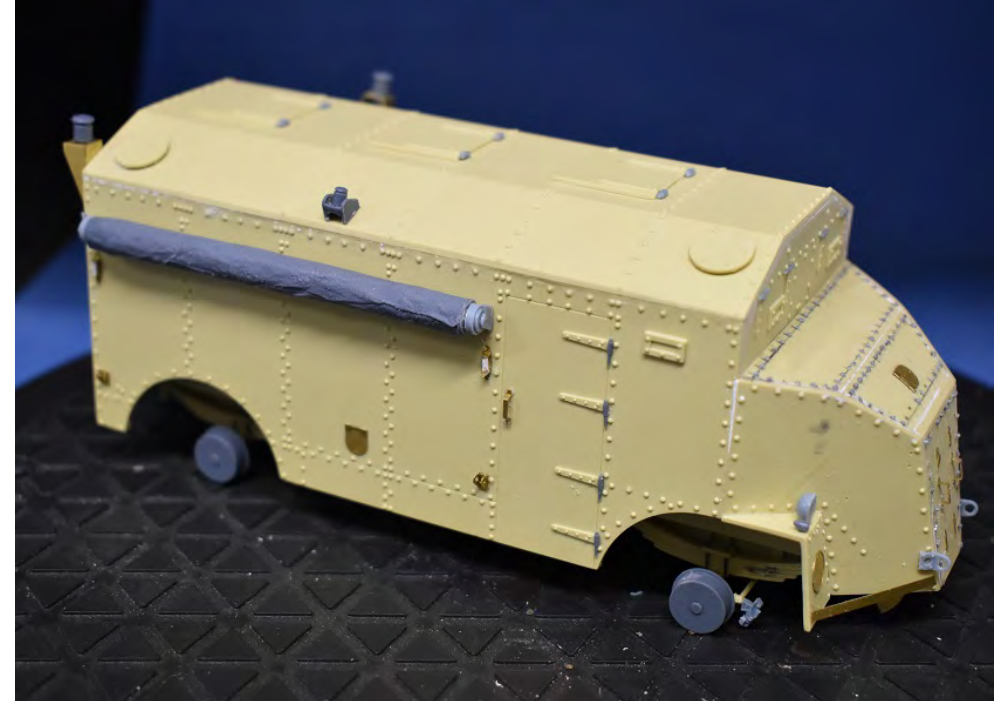

Eerst de onderzijde afwerken alvorens verder te doen met het aanbrengen van nog meer PE.

Laatste stukken PE en resin voor deze versie

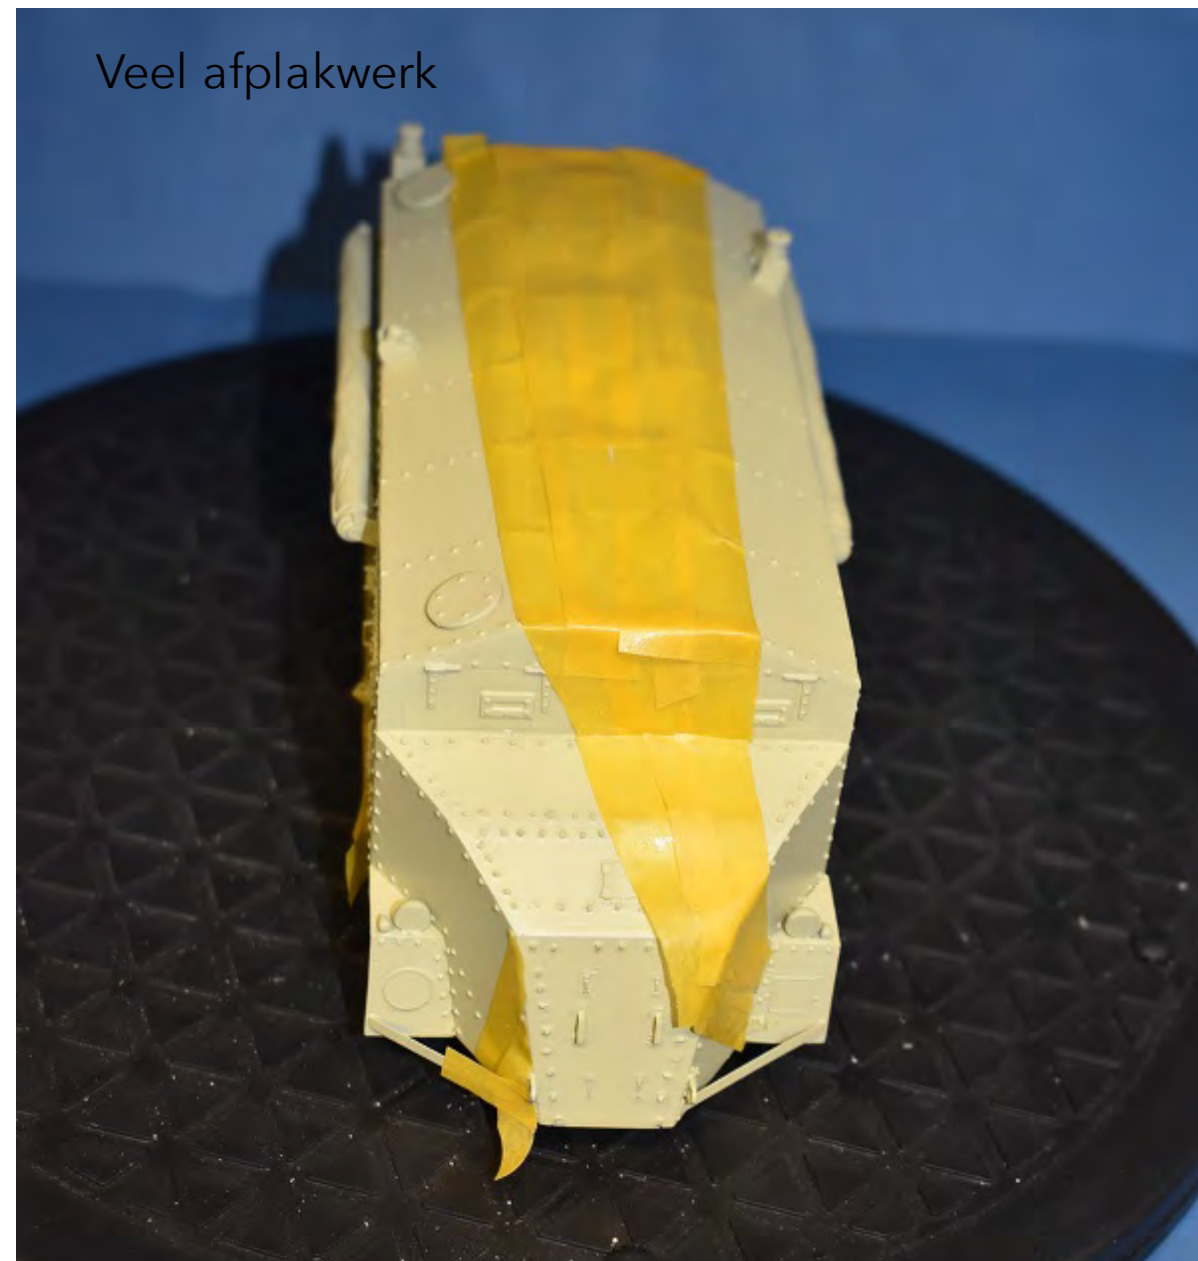

Grijze primer / spuitbus Spectrum

Veel afplakwerk

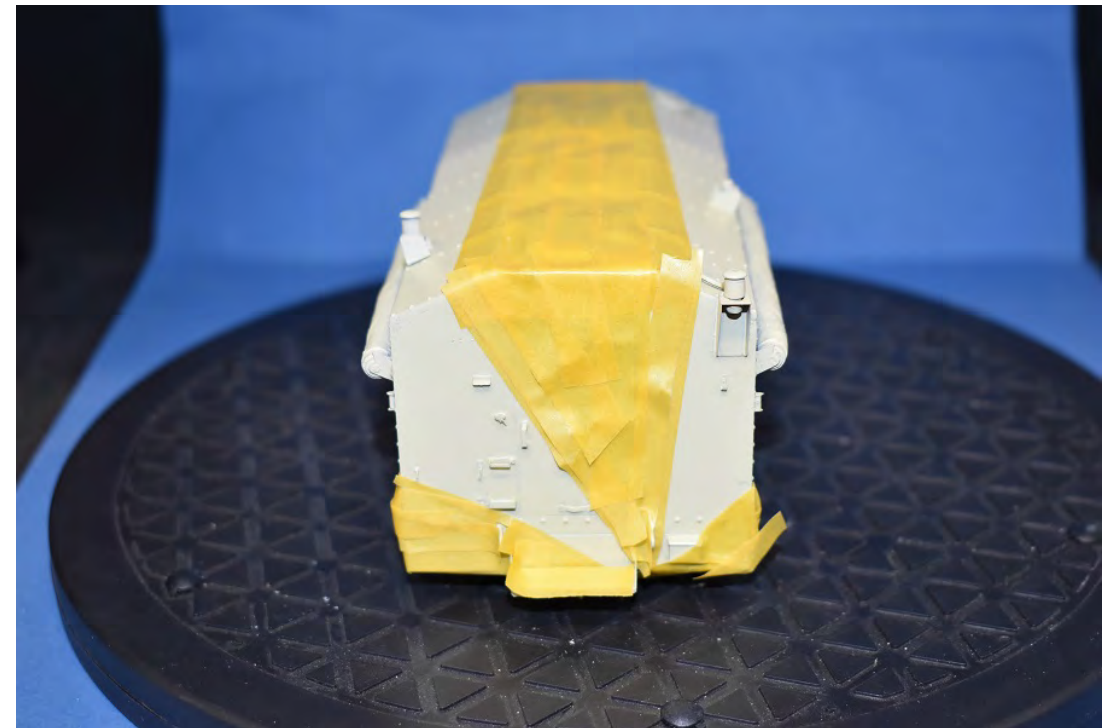

Portland Stone

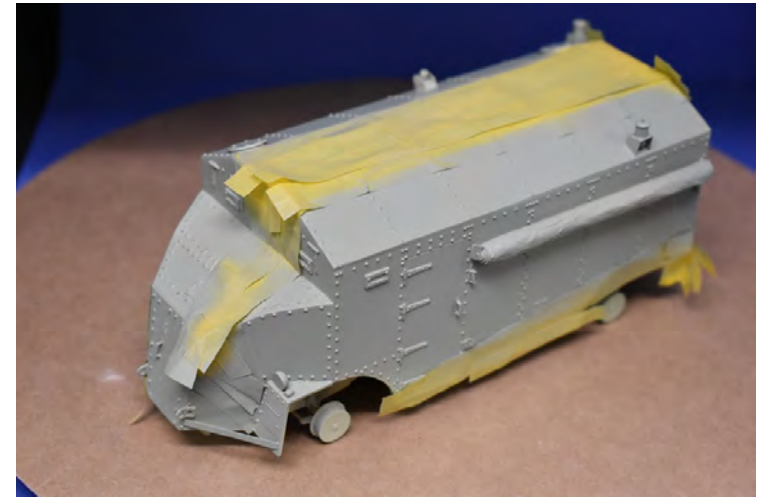

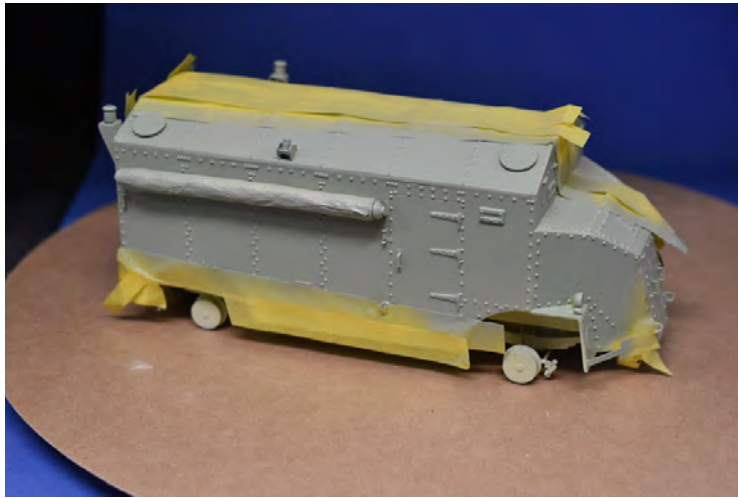

Nog meer afplakwerk

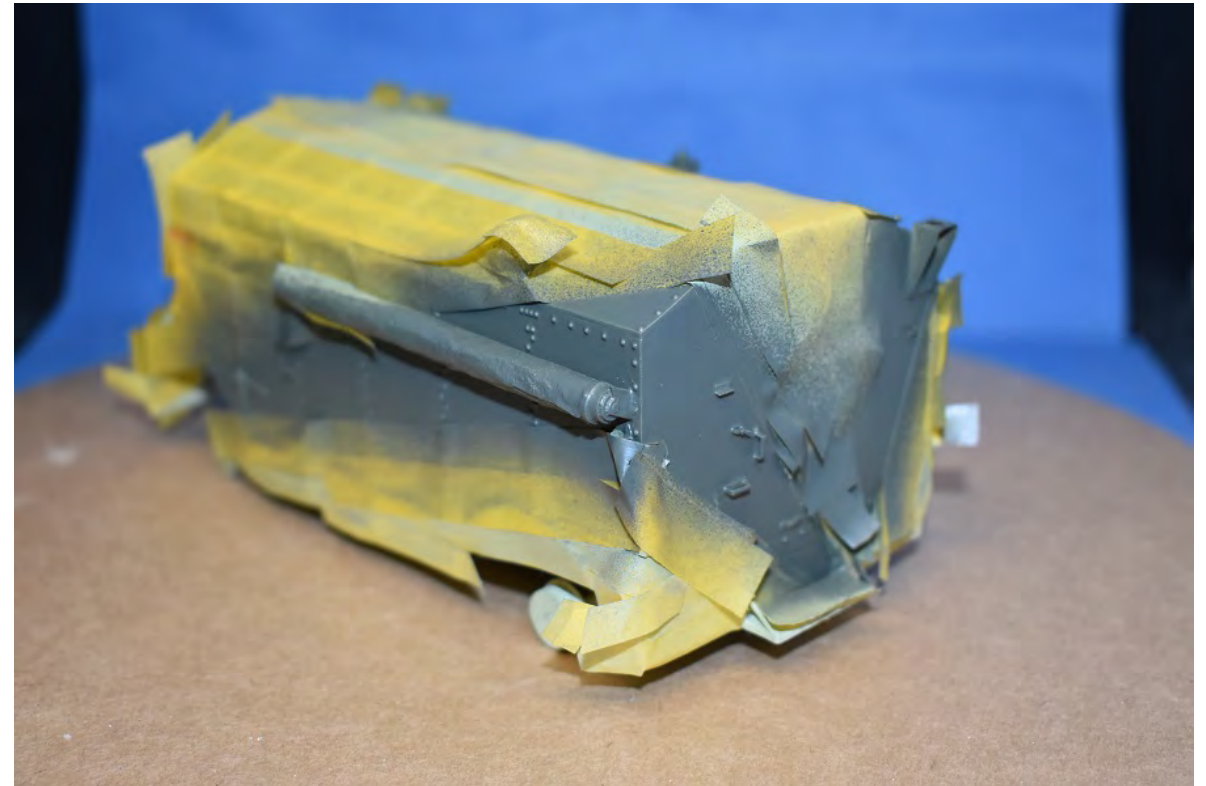

Silver Grey

Slate 34

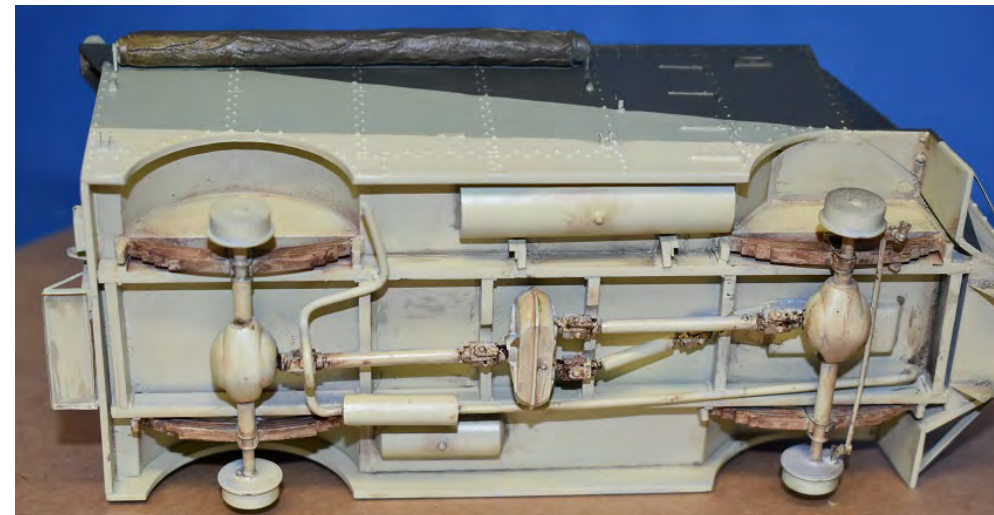

Beschadigde verf

Positief:
Geen PE of resin losgekomen !

Schade herstellt

Tijd voor de decals

Wielen er op en even in de zandbak

Finished
